## Lectures

---

- 12|01|2021** **End(o)ZEIT: Prof. Elke Holinski-Feder ‘Moderne Technologien der Molekulargenetik’**, Medizinisch genetisches Zentrum (MGZ) Praxis und Labor für Humangenetik, München
- 23|02|2021** **Endocrine Research** Yao Meng (mentor: Schneider)
- 25|02|2021** **Endocrine Journal Club**
- 09|03|2021** **End(o)ZEIT: Prof. Alexander Bartelt ‘Endocrinology of cold-induced non-shivering thermogenesis’** Institute for Cardiovascular Prevention (IPEK), LMU Munich,
- 16|03|2021** **Endocrine Research** Hanna Nowotny (mentor: Reisch)
- 13|04|2021** **End(o)ZEIT: Prof. Axel Imhof ‘Proteomics of Epigenetic Processes’** Protein Analysis Unit, BioMedical Center, Faculty of Medicine LMU Munich
- 20|04|2021** **Endocrine Research** Julia Simon (mentor: Theodoropoulou)
- 27|04|2021** **End(o)ZEIT: Prof. Graeme Eisenhofer ‘Pheochromocytoma and paraganglioma: catecholamine secretory pathways and metabologenomics’** Institute for Clinical Chemistry and Laboratory Medicine, University Hospital Dresden

- 29|04|2021**    **Endocrine Journal Club**
- 04|05|2021**    **Endocrine Research** Thomas Marchant (mentor: Reincke)
- 11|05|2021**    **End(o)ZEIT: Prof. Michael Vogeser ‘Mass Spectrometry in the Clinical Laboratory – Standardization of Processes’**, Clinical Mass Spectrometry, Institute for laboratory medicine, LMU Munich
- 18|05|2021**    **Endocrine Research** Yuhong Yang (mentor: Williams)  
‘Micro- and macroadenomas causing primary aldosteronism: molecular and biochemical studies’
- 08|06|2021**    **End(o)ZEIT: Dr. Susan Richter ‘Pheochromocytoma/paraganglioma: From functional diagnostics to cell culture models’** Institute for Clinical Chemistry and Laboratory Medicine, University Hospital Dresden
- 15|06|2021**    **Endocrine Research** Lucie Meyer (mentor: Williams)  
‘Pathophysiology of primary aldosteronism: adrenal immunohistochemistry and molecular profiling studies’
- 24|06|2021**    **Endocrine Journal Club**
- 29|06|2021**    **Endocrine Research** Sonja Kunz (mentor: Bidlingmaier)

## Details

---

**Time:** 2:15pm - 3:15pm,

**Location:** via ZOOM only

PhD-students acquire 0,5 ECTS points, medical doctors BLÄK CME credit points
